This quarter our Mother's Day dance was a huge success. All the ladies received fresh rose corsages and everyone brought photos of their mothers for a guessing game.. Several times this summer either our dance facility or the Star Twirlers hall was not available, so we visited each others' club. This has led to new friendships and a great opportunity to meet other dancers. For those wanting to learn how to square dance we will start a new dancer class in late January 2017 and details will be available on our website when finalized.

We are inviting everyone to attend our upcoming Fall Festival on Saturday, September 17th. Come join us for a fun-filled afternoon and evening. Please note that this dance is NOT HELD at the regular CCT club dance location and will be held at the same excellent facility as last year and directions are available on our Fall Festival website (link is provided below).
