We had a ton of great fun and food with friends at the Gary Cross Trailers 4th Annual Fall Festival! Visitations were made to over fifteen clubs, and we were delighted that so many of you came and shared the fun with us. Ron Libby from Florida called for the Advanced and C1 dance in the afternoon, and we had early rounds by Don and Linda Hichman. The evening was kicked off with a grand march, followed by plus and mainstream dancing. We hope to see many of you back again next year for our 5th Annual hosted by Jerry Biggerstaff!

Milestones in our celebrations this quarter— the club hosted a Halloween dance in and an ice cream social in August. In October over 30 Cross Trailers gave up dancing for the evening to serve at the NC State fairground, serving delicious ham biscuits at the Cary First United Methodist Church fair booth. A number of Cary Cross Trailers have traveled to several open dances, including Jerry Story at the Yellow Rockers dance in West End, Tim Marriner at the Carolinians 40th Anniversary Dance, and Dee Dee Dougherty along with Greg Jones hosted by the Star Twirlers at Highlands UMC in Raleigh. Our club also had 34 members attend the NC State Convention in August and had a good turnout for the annual Hospice dance in Raleigh where the Triangle area clubs raised over \$5000.

We have a new class in progress and we will be starting another class in January 2016. Please contact the club if you are interested in lessons.

Please come by on Thursday evenings and dance with us to our wonderful caller and cuer. Remember—it is more fun to dance with friends, than to dance alone!
